

Board Policy

Technology is an integral part of the teaching and learning experience at St HOPE Leadership Academy Charter School. The ever-increasing availability of online teaching and learning resources comes with inherent risks and concerns regarding student data, privacy and student work. We as a school have a responsibility to ensure that student's data and privacy is adequately protected while using any online digital resource for school work. St HOPE Leadership Academy Charter School oversees a wide range of information about students. The school manages personally identifiable information (PII) about students in accordance with the federal laws known as FERPA and COPPA. We agree with and abide by all of the rights enumerated in the NYSED Parent Bill of Rights.
