PROFESSIONAL EXPERIENCE

OCTOBER 2011 - PRESENT **DELAWARE EXPRESS CO.** **ELKTON, MD**

Vice President of Technology and Logistics

Responsible for day to day logistics, management of operations staff and maximizing efficiency of all systems to ensure competitiveness and readiness to grow.

- Manage a team of eight back office staff members and over fifty drivers.
- Implemented a citrix based asset maintenance tracking system designed to replace the company's 30 year old paper logs *which led to a 20% decrease in overdue preventive maintenance during its first three months in use.*
- Integrated existing fleet GPS tracking into a new cloud based dispatch system which will provide real time alerts for all late or off route deliveries.
- Designed and currently implementing a new fully integrated intermodal rail tracking system which will streamline the inventory control process for the company's east coast rail sidings.
- Migrated existing PBX phone system to hosted VOIP solution which will save the company \$12,000 annually.
- Enrolled the entire tractor fleet in a Pre-Pass toll discount program which will save the company an average of \$50,000 annually.

JULY 2007 - OCTOBER 2011 **SUCCESS ACADEMIES** **NEW YORK, NY**

Founding Director of Information and Communications Technology

As the founding member of the ICT department, grew the team from one to seven members over a period of four years.

- Established the technology infrastructure for ten new high performing charter schools throughout Manhattan, Brooklyn, and the Bronx.
- Managed a yearly departmental budget of 2.5 million dollars.
- Independently designed and implemented a five year technology plan for used by all Success Academies as the foundation for network scaling and classroom technology integration.
- Designed a cloud based back office system which fully integrated the business requirements of the accounting, operations, and human resources departments.
- Supported and trained over 450 staff members.
- Managed over 1500 staff and student workstations.

AUGUST 2004 - JULY 2007 **TEACH FOR AMERICA** **NEW YORK, NY**

Fifth Grade Math Teacher, July 2004 - July 2007

- Designed and implemented instructional programs that combined the required curriculum with facets of charter school math programs.
- Led 60 students to master 80% of math state standards for the 2005-2006 and 2006-2007 school years.
