PROGRAMS AS
YOU'RE INTERESTED
IN!

GEMS (Girls Electronic Music Stars)

<https://steinhardt.nyu.edu/programs/music-technology/summer-intensives/girls-electronic-music-stars>

Location: New York University (New York, NY)

Dates: TBD (one week)

Cost: \$255

Open to girls ages 10-12

St HOPE is funding 4 spots

Scholarship application deadline: February 15, 2023

The Girls Electronic Music Stars (GEMS) summer program is designed to educate and empower the new generation in an inclusive environment that breaks down barriers that have historically led to the underrepresentation of women and minorities in technology and engineering. GEMS is designed for students 10-12 years old. This program explores some of the amazing opportunities for expression, learning and fun that are available in music and technology. The focus will be on electronic music, studio recording and performance, collaborative circuit making, interactive programming, and improvising/playing music with technology. This is a 1-week seminar that runs 9am to 3pm. All activities are planned at the NYU Steinhardt Music Technology facilities and studios, supplemented by local field trips.

FIT Pre-College Workshops

<https://www.fitnyc.edu/academics/precollege/classes/middle-school-summer-workshops.php>

Location: New York Fashion Institute of Technology (New York, NY)

Dates: TBD (four days)

Cost: \$185

Open to students grades 6 - 9

St HOPE is funding 4 spots

Scholarship application deadline: February 15, 2023

FIT's Precollege Workshops are fun, short programs that will introduce you to some of the unusual and creative topics that we specialize in at FIT. Spend four days learning a specific skill or technique or explore the many different career opportunities our graduates have. You'll be both challenged and inspired by the new techniques you'll learn and insights you'll develop in just four days!

Engineering Camp

<https://www.bucknell.edu/meet-bucknell/plan-visit/camps-conferences-visit-programs/engineering-camp>

Location: Bucknell University (Lewisburg, PA)

Dates: June 25 - 30, 2023

Cost: \$1,250 *(includes instruction and related course materials, laboratory and classroom supplies, housing and all meals)*

Open to students grades 6 - 11

St HOPE is funding 1 spot

Scholarship application deadline: January 12, 2023

Explore engineering and kick-start your college experience by experimenting in real research labs with Bucknell's world-class faculty. Engineering Camp is an academically challenging, hands-on introduction to engineering held on Bucknell's campus during the summer.

You'll discover the many different areas where engineers apply their skills, study the latest technologies that shape our world and learn how the scientific phenomena you've studied in school are applied to solve engineering problems. Students are housed in residence halls on the Bucknell campus with 24/7 supervision by counselors. Meals are provided by Bucknell Dining Services.

Brooklyn Museum Summer Camp

https://www.brooklynmuseum.org/education/camps/summer_camp

Location: Brooklyn Museum (Brooklyn, NY)

Dates: TBD (one week)

Cost: \$650

Open to students ages 11 - 13

St HOPE is funding 5 spots

Scholarship application deadline: February 15, 2023

We welcome young artists to the adventure of art camp! Inspired by our exhibitions and collections, campers will have fun engaging with art, while interacting with other campers, discovering artists, working with different mediums, trying out new techniques, and more. After five days of art-making, campers close out the week by sharing their creations in Friday's Open Studio.

CFA Summer Program

<https://www.centerforarchitecture.org/k-12/youth-family-programs/summer-programs/>

Location: Center for Architecture (New York, NY)
Dates: TBD (1 week)
Cost: \$700
Open to students grades 6 - 12
St HOPE is funding 3 spots
Scholarship application deadline: January 12, 2023

Summer Programs give curious kids an opportunity to dive into an architectural topic of interest and test out their own design ideas. Each program explores a different theme through art and building activities, design challenges, guided investigations of architectural examples, and special site visits.

Mosholu Day Camp

<https://www.mmcc.org/camp-blazers/>

Location: Southfields, NY
Dates: TBD (two weeks)
Cost: \$1,300
Open to students grades 6 - 9
St HOPE is funding 1 spot
Scholarship application deadline: January 12, 2023

Staffed by a group of safety minded but still fun loving counselors, the camp is a “funtastic” place for 12-14 year olds to make new friends, enjoy the outdoors and have a positive experience. Counselors are college aged and above and are directly supervised by adult professional childcare workers who are in-tune to the campers needs.

Campers will have an opportunity to choose their own activities, take part in inter-camp games and parties, while also enjoying cook outs, and a teen lounge of their very own with video games, ping pong and foosball tables. Daily roundtrip transportation from the Bronx is provided.

Cooking Camp

<https://homecookingny.com/cookingcampnyc/>

Location: Home Cooking NY (New York, NY)

Dates: TBD (1 week)

Cost: \$650

Open to students ages 10 - 15

St HOPE is funding 3 spots

Scholarship application deadline: February 15, 2023

Welcome to Cooking Camp! It's the most fun a kid can have this summer, if they spend a lot of time thinking about food and tinkering in the kitchen. There are no pre-requirements for attending cooking camp; just a curiosity about all types of food + cooking.

Each session will be led by 2 of our Chef-Instructors, who have been teaching this popular program for 8+ years, and have a knack for engaging this age group in all things culinary.

Nike Basketball Camp

<https://www.ussportscamps.com/basketball/nike/nike-basketball-camp-college-of-mount-saint-vincent#detailsContentTarget>

Location: College of Mount Saint Vincent (Bronx, NY)

Dates: TBD (5 days)

Cost: \$375

Open to students ages 8 - 15

St HOPE is funding 6 spots - 3 males, 3 females

Scholarship application deadline: January 12, 2023

Improve as an individual athlete and teammate at the College of Mount Saint Vincent camp in summer 2023! Work with Head Coaches Phil Stern and James Mooney on fundamental development, team play skills, and strength & conditioning techniques to help elevate your game at this all-inclusive program located in the Bronx, NY.

The Complete Skills Camp helps players of all abilities develop athletically, refine fundamental basketball skills and enhance their skill set at the post, wing or guard position.

Scholarship Application Deadlines
